STRENGTH BENCHES & RACKS

Look as professional as you are with the Freemotion Dumbbell Rack (Saddle). Molded holders keep dumbbells separated to keep from hitting each other, resulting in damage to fitness tools. Three levels of organization maximize square footage and keep your vital training tools right where you need them.

PRODUCT BENEFITS

DURABLE CONSTRUCTION

Built with 11 gauge steel, the red frame is as beautiful as it is long lasting.

SADDLE DESIGN

The saddle shelf keeps dumbbells side by side and organized for members and trainers.

ANTI-ROLL

The curved edge of the shelf prevents dumbbells from rolling or slipping to the floor.

HOLDS ADDITIONAL PAIR PER SHELF (18)

This dumbbell rack works overtime with the ability to hold 18 sets of dumbbells in one compact footprint.
