KEY TAKEAWAYS

1 GET BETTER, NOT BITTER

The global pandemic has been challenging for everyone. Use the challenges as a springboard to improve yourself and your business, instead of focusing on the downsides.

2 VISUALIZE SPECIFIC SUCCESS

Before you realize the success you want your business to achieve, you must first firmly identify it and then visualize it.

3 LAYOUT A PLAN

Things may never go according to plan, but they don't go anywhere without one. Expect the best while still preparing a plan B, C, and D.

4 MOVE TOWARD, NOT AWAY FROM FEAR

Be willing to fail, and then fail again. Know what you want, why you want it, and who is going to help you.

5 WINTER IS COMING

You're either in a storm, coming out of a storm, or heading into a storm. If you're not in a storm right now, another is coming – prepare for it now.
