## ***START STRONG, END STRONGER***

The best bench is one that lets you work as hard as you want to. The complete line of Benches and Racks by Freemotion starts with solid core construction and are finished with features designed by professional trainers. Easy adjustment and clever storage maximize workout times, expand your functional square footage and create a streamlined design. With customizable options and multifunctional solutions, Freemotion Benches and Racks are the perfect complement to your strength offering.

# RACKS

## UPGRADE THE WORKOUT EXPERIENCE

Freemotion Benches and Racks feature plush pads, multiple adjustments, durable construction, and minimal maintenance, that all contribute to enhance the user's experience.

## EFFICIENT ORGANIZATION

Multiple rows of storage on Freemotion Racks maximize storage potential, doing the work of several racks while adjustable shelves accommodate both large and small fitness tools.

## INDUSTRIAL STRENGTH

Tough 7 and 11-gauge stainless steel makes all Freemotion Benches and Racks durable.

## COLOR OPTIONS

Standard frame color options include: platinum, white, black and red, with additional colors available for an upcharge.
